

has used Norco's unique lifestyle as an economic driver to promote economic development in the community. In his spare time, Harvey enjoys horseback riding, camping, fishing, and skiing.

Harvey's tireless passion for community service has contributed immensely to the betterment of the community of Norco, California. Herb has been the heart and soul of many community organizations and events and I am proud to call him a fellow community member, American, and friend. I know that many community members are grateful for his service and salute him as he retires. I wish him and his lovely wife Mynon all the best.

EMPLOYMENT NON-
DISCRIMINATION ACT OF 2007

HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 7, 2007

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 3685) to prohibit employment discrimination on the basis of sexual orientation:

Ms. McCOLLUM of Minnesota. Madam Chairman, I rise today in support of the Employment Non-Discrimination Act (ENDA) because no American should ever fear being discriminated against in the workplace.

The Employment Non-Discrimination Act makes it illegal to fire, refuse to hire, or discriminate in any way against employees based on their sexual orientation. An employee should be judged on their qualifications and performance in the job, and only on their qualifications and performance in the job.

I am proud that as a member of the Minnesota House of Representatives, one of the first votes I cast was to ensure that every person in our State is protected from unjust discrimination regardless of race, religion, sexual orientation or gender. It is disappointing that there are still 30 States in our country where it is legal to fire someone because of their sexual orientation.

While not as comprehensive as Minnesota's civil rights law, ENDA is a good step in protecting every citizen in our country from job discrimination. H.R. 3685 simply provides basic employment protections for gay, lesbian, and bisexual workers.

This legislation addresses concerns that have been expressed by explicitly forbidding quotas or preferential treatment. It also ensures that both denominational and non-denominational religious schools and religious associations continue to have all exemptions currently allowed under the law. Further, H.R. 3685 does not change in any way the definition of marriage under Federal law.

I joined Chairman BARNEY FRANK to strike a provision regarding marriage criteria in employment, because it has no practical affect on civil rights laws and does not weaken the ability of this legislation to protect workers from being discriminated against based on sexual orientation.

Along with my colleagues, I am committed to working to protect, strengthen, and guarantee the rights of all workers in our country. I am a cosponsor of H.R. 2015, the original version of ENDA, which included protections

for gender identity. Had I had the opportunity to vote to include gender identity rights in this legislation, I would have supported it.

Current law bars employment discrimination based on race, religion, sex, national origin, age, or disability. Further, the Federal Government already prohibits discrimination based on sexual orientation. It is time to extend these protections to all Americans. I urge my colleagues to join me in voting for H.R. 3685.

HONORING THE GORDONSVILLE
FIRE DEPARTMENT

HON. BART GORDON

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 15, 2007

Mr. GORDON of Tennessee. Madam Speaker, today I rise to honor the members of the Gordonsville Fire Department for their selfless dedication and bravery in protecting our families, day and night.

The Gordonsville Fire Department was established in 1968. Currently, the department has 19 volunteers on its roster.

Without volunteer fire halls, like Gordonsville, many places in the Sixth District would lack effective fire protection. In the State of Tennessee, over 70 percent of fire service is provided by volunteers. Among these volunteers, almost 75 percent work other daily jobs.

Ensuring our families' safety is not without risk. Sadly, an average of two firefighters die each year in Tennessee in the line of duty. In 2005, the Tennessee Fire Services and Code Academy dedicated a memorial on their main campus in Bell Buckle to honor those Tennessee firefighters who have died in the line of duty.

For their willingness to serve, the following members of the Gordonsville Volunteer Fire Department deserve recognition: Chief David Blessman, Asst. Chief Jonas Bullington, Capt. Danny Cowell, Lt. Aaron Sterling, Chief of Eng. Jimmy Gregory, Donnie Johnson, Matt Baker, William Vaughn, Paul Pope, Sam Bowles, Terry Fields, Jerry Craghead, Brandon Ingram, Josh Tisdale, Scott Bennett, Josh Collins, Melvin Paulk, Cyrus Shores and Steven Gray.

RECOGNITION OF THE GREAT
AMERICAN SMOKEOUT

HON. DIANA DeGETTE

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 15, 2007

Ms. DeGETTE. Madam Speaker, I would like to recognize today as the Great American Smokeout. For 31 years, the American Cancer Society has designated this day to help smokers quit for just 1 day, in hopes that they will quit forever.

Cigarette smoking is the number one preventable cause of premature death in the United States. Every year, more than 400,000 Americans die from smoking-related illness, including cancer, cardiovascular disease, and lung disease. One in every five deaths in the United States is smoking related. If current smoking trends continue, tobacco-related deaths worldwide are predicted to double to 10 million per year by 2030.

Secondhand smoke exposure causes disease and premature death in children and adults who do not smoke. Secondhand smoke causes approximately 3,400 lung cancer deaths and 46,000 heart disease deaths in adult nonsmokers in the United States each year.

According to the U.S. Surgeon General, people who quit smoking, regardless of age, live longer than people who continue to smoke. Quitting smoking substantially decreases the risk of lung and other cancers.

Most smokers want to quit. Scientists have developed, and continue to improve, effective ways to help people quit smoking. However, these effective smoking cessation tools are not yet available to all smokers who are motivated to quit.

For years, Congress has been largely silent on the issue of combating smoking. It is time for us to refocus on this issue. I have long been involved in efforts to combat smoking and its consequences, by introducing bills to prevent youth smoking and to support tobacco cessation programs.

This year, we have an opportunity to act. Congressman HENRY WAXMAN has introduced legislation, H.R. 1108, the "Family Smoking Prevention and Tobacco Control Act," to protect the public health by providing the Food and Drug Administration with authority to regulate tobacco products. I hope we will take up this bill soon in the Energy and Commerce Committee, on which I serve.
